CORPORATE PARTNERSHIPS

Livingstone International takes an active role in proudly supporting organisations that positively impact lives and communities throughout Australia.

Livingstone is proud to announce our partnership with **UNICEF Australia**. Through this partnership, we are committed to providing funds to ensure that vulnerable children in Australia are given the best opportunity in life to thrive.

After some evaluation, UNICEF Australia and Livingstone carefully selected the perfect program that reflects our vision of supporting Indigenous children and most disadvantaged communities in Australia.

The program selected is the **UNICEF Australia Early Childhood Development Program** that supports **young Aboriginal children living in rural areas of Australia** that are more likely to face barriers in accessing early childhood education and health care programs.

The UNICEF Australia Early Childhood Development Program provides support for communities and parents to provide the nurturing care that children under the age of five need - across the critical domains of health, nutrition, stimulation and protection by supporting a locally developed program that aims to:

- 1) **Improve health outcomes for children under the age of five, their families and communities** through promoting physical activity and healthy eating habits, supporting social and emotional wellbeing and helping to reduce incidents of communicable diseases.
- 2) **Deliver an innovative early learning model** to help children become confident learners, effective communicators and feel connected to their family, community, culture and Country.
- 3) **Support local employment and training for community women**, with a strong focus on sustainability by building local staff capacity through mentoring, skills development and formal qualifications.

Both Livingstone and UNICEF Australia's core visions and commitments are aligned to deliver **life changing support** to disadvantaged children and their communities in rural and remote locations to help ensure that every child has a fair chance to realise their full potential.

UNICEF does not endorse any company, brand, product or service.

Livingstone is committed to providing access, resources or funds that are readily available to the community. With this partnership, it allows **St. George Foundation** to fund programs run by charities who are truly close to the families they help but who don't attract funding from government and aren't big enough to generate significant fundraising income.

Since 1990, St. George Foundation has partnered with over 800 community organisations across Australia and invested more than \$23 million to improve the lives of Australian kids who are **physically, socially or economically disadvantaged**.

Livingstone and St. George Foundation core visions and commitments are aligned to deliver high quality **support to disadvantaged Australian children**.

Livingstone proudly supports **Accelerate**, an Indigenous Injury Management company.

Accelerate offers guidance and support to every Australian affected by workplace related injuries and ensures a safe recovery and return back to work as efficiently as possible.

With this partnership and access to funding, resources and consumables, it allows Accelerate to fund their initiatives of providing **education, employment and support** for Indigenous communities.

Livingstone and Accelerate core visions and commitments are aligned to deliver high quality support to **Indigenous communities** throughout Australia.

COMPANY PROFILE

COMPANY OVERVIEW

Livingstone International was founded in 1984. It is an Australian Owned company that supplies consumables to over 25,000 customers throughout Australia and overseas within the Healthcare, Medical, Dental, Childcare, Pharmacy, Hair & Beauty, Education, First Aid, Scientific, Food Manufacturing and OH&S industries. Celebrating over 35 years in the industry, Livingstone International is proud to be a distributor and marketer of over 65,000 products.

MISSION STATEMENT

To become the market leader in the healthcare, dental, scientific, and safety industries by providing quality products combined with customer-focused service, at the most competitive prices.

THE LIVINGSTONE BRAND

Here at Livingstone, we are proud of our own premium quality branded products. We continuously try to understand our customers' demands and have developed the Livingstone brand in accordance to their needs and wants focusing on customer satisfaction. Our Livingstone products are competitively priced and are of premium quality - representing the best value - that has made us market leaders in the (affinity) industry.

PRICE GUARANTEE

We have a team of people who are constantly benchmarking and comparing our prices against other companies. Therefore, we can confidently declare and guarantee that our pricing are always the lowest against our main competitors. We have the buying power and the scale to reduce costs, and to pass them on to you.

In the unlikely event that you have been offered a better price for an identical product*, we will beat it by Five Percent (5%). Please chat, email or call us to have the price beaten or matched. It will be our pleasure to demonstrate our capabilities to you.

Email: beauty@livingstone.com.au Phone: 1300 557 557

* An identical product means identical features, quality, specifications, pack size, components, validity, warranty, expiry date, delivery terms, and stock availability.

CUSTOMER SERVICE

The Livingstone group employs experienced staff that are committed to assisting our valued customers. We offer personalised account managers to service our customer's diverse needs.

PRIVACY ACT

Livingstone is committed to protecting your privacy; if you do not wish to receive information from Livingstone, please email:

beauty@livingstone.com.au and type "remove my details" in the subject header. Please include your mail code and contact details (name and company) in the email.

DISCLAIMER

Whilst the utmost care has been taken in the preparation of this product catalogue, the final responsibility for information about individual benefits, specifications or capabilities of products rests with the manufacturer. Livingstone International accepts no responsibility for any changes or amendments to product specifications in this catalogue. The use of such information and the conditions in which products are used are beyond the control of Livingstone International. It is the obligation of the user to determine the correct selection and use of these products. Consumers will be advised on www.livingstone.com.au of any catalogue price changes due to errors, omissions, currency exchange variations or significant price increase imposed by manufacturers. Please check prior in placing order.

PUBLISHING SYSTEM

Livingstone International employs a sophisticated marketing approach; utilising a combination of marketing staff to deliver our message through direct marketing materials, advertising, e-commerce, trade shows and customer visits. Direct marketing materials come in the form of brochures, catalogues, fax and email broadcasts. The in-house design team use sophisticated technology to create award winning designs and marketing materials. This has saved the company valuable time, money and resources in its marketing and promotional activities. An added advantage of the publishing and graphics system is that it enables the company to publish in-house magazines and publications for industry circulation. The company is also earning additional revenue from advertisers. We also advertise in catalogues and on websites with our strategic partners. Livingstone has the scope to extend its publications to doctors, dentists and laboratory technicians. The design and artwork of this catalogue are subject to copyright protection in part and/or in whole.

CERTIFICATIONS

Livingstone International has been granted HACCP certification on range of reusable and disposable gloves - Latex and vinyl, head protection and aprons. HACCP Australia Food Safety Accreditation provides a recognised endorsement of food safety excellence.

Further, Livingstone International is a member of Sedex, a global membership organisation used to manage labour rights, health and safety, the environment and business ethics. This ensures better management of social and environmental risks within their supply chain, to make a real positive impact with responsible sourcing.

Livingstone is also an accredited Australian Trusted Trader meeting and exceeding international and domestic supply chain security and trade compliance standards and practices. Livingstone has been awarded the Environmental Management System Certification complying with the requirements of ISO 14001:2015 for our offices and warehouse operations.

E - COMMERCE

At Livingstone, we understand the advantages the Internet brings and as a result we have harnessed the capabilities for the benefit of our customers. The newly updated Livingstone website (www.livingstone.com.au) makes it extremely easy, cost effective and convenient for customers to shop with Livingstone.

QUALITY POLICY STATEMENT

Livingstone International's quality management system has been designed to conform to ISO 9001:2015 and meet the requirements laid down by the Australian Standards Association. This quality management system has been designed and implemented as a means of ensuring that products supplied by the Company are of the highest quality, and in every instance, meet the needs and requirements of the Company's customers. The quality and reliability of the Company's products is the concern of every person in the organisation and not just the sole responsibility of quality assurance personnel. It is an important requirement of this policy that Livingstone supplies its customers with products that are suitable for their intended purposes and that conform to the relevant agreed specifications or contracts. The company ensures supplied products adhere to the appropriate Australian standards. For therapeutic goods, the company conforms to the import, labelling requirements and guidelines stipulated by the Department of Health.

Livingstone International has also received ISO13485 certification, which is the International Standard for Medical Device Manufacturing. Along with this certification, we have also received CE markings on a wide range of our medical device products. You can rely on Livingstone to deliver the best quality products at the best possible price.

Range

Livingstone provides our clients with an unmatched high quality product range; remaining dynamic by adapting to future trends before they've spread to the general market. Livingstone invests heavily in researching, development and manufacturing. Livingstone's branded products are of the utmost highest standards, having passed all requirements laid down by the Australian Standard's Association.

Storage

Livingstone's reputation has rapidly grown due to its outstanding dispatch facilities and reliable national coverage with several warehouses in each state across Australia. We stock over \$48 million dollars worth of inventory at any given time. Holding stock for customers is also a premium service we offer. We will help you consolidate and simplify your orders, saving you time, money and storage.

Coverage

Livingstone strives to be a market leader in every industry; a trusted supplier to over 25,000 customers. Livingstone holds contracts with some of Australia's largest corporations. We continually push to add unprecedented value to the list of growing Australian businesses, through our large buying power and international footprint.

Partnerships

Livingstone proudly sponsors of UNICEF Australia, Accelerate and St. George Foundation, maintaining its commitment to corporate and social responsibility. These organisations positively impact the lives and communities throughout Australia. During the 2019-2020 Australian Bushfires, Livingstone donated critical supplies to the Australian Red Cross.

Paraffin Waxes

Enriched with Vitamin E for a nourishing, moisturising treatment

HOW TO USE

1. Heat the wax until it reaches the desired temperature
2. Ensure that the temperature is not too hot, and dip hands or feet into the wax
3. After a few seconds once a layer forms over the area and dries, remove and repeat the process 10 times
4. Once layered, place hand or foot in a mitt or bootie for 15 to 20 minutes
5. After 15 to 20 minutes, gently use a soft tissue to remove the wax residue from your skin and apply moisturiser to the area

CORPORATE SOCIAL RESPONSIBILITY

With over 35 years of supplying quality consumables across Australia, we have evolved to become the company we are today thanks to the help of our customers and partners that continue to support us throughout these decades. We are committed to sharing our success by giving back to the community in much needed areas through environmental incentives, indigenous reconciliation, ethical sourcing, diversity and inclusivity.

Environmental Incentives

We understand the responsibility and the importance we hold over how we can improve our operations for a greener planet.

We have achieved a Certificate of Recognition from the Live Green Awards and we are a Bronze Partner to the NSW Government's Office of Environment and Heritage. Livingstone also practice environmental initiatives within our offices and warehouses and as a result, we are ISO 14001 certified which is the international standard that specifies requirements for an effective environmental management system within workplaces.

We are working hard with our suppliers and partners to create and provide a wide range of eco-friendly and sustainable alternatives to your everyday products. We're committed to ensuring that these products will be accessible to all our customers and partners so that they can create greener choices and reduce our environmental impact on the world.

Diversity & Inclusivity

At Livingstone, we believe that everyone deserves the right to equal opportunities. We recognise the importance of diversity and inclusivity in our workforce and are committed to embracing a company culture that reflects that.

We celebrate and encourage inclusion and diversity in all its forms regardless of gender, ethnicity, religion, disability, sexuality and so forth. We have partnered with not-for-profit organisations that open doors for the disabled, Indigenous businesses and communities as well as social ventures so that we can continue to promote diversity throughout our supply chain and within our business.

Ethical Sourcing

At Livingstone, we ensure to put an emphasis on the importance of behaviour and morals with all our suppliers before we go into business with them. Our main focus of managing our connections with our new and existing suppliers is ensuring they share our commitments to social and environmental responsibilities.

Livingstone is proud to be a member of Sedex; an organisation that enables businesses to work together to better manage their social and environmental performance and improve working conditions throughout the supply chain.

Quality & Assurance

At Livingstone, one of our main goal is to provide quality products at a competitive price. Throughout the years, our supply chain has constantly improved and updated to ensure that we are providing our customers with assurance over the quality of our products.

We pride ourselves on ensuring third party quality testing is performed prior to any shipment on all products to ensure we meets and exceed Australian, American and European standards.

We are also an accredited Australian Trusted Partner which is a partnership between Australian businesses and the Australian Government to streamline legitimate trade.
