CORPORATE PARTNERSHIPS

Livingstone International takes an active role in proudly supporting organisations that positively impact lives and communities throughout Australia.

Livingstone is proud to announce our partnership with **UNICEF Australia**. Through this partnership, we are committed to providing funds to ensure that vulnerable children in Australia are given the best opportunity in life to thrive.

After some evaluation, UNICEF Australia and Livingstone carefully selected the perfect program that reflects our vision of supporting Indigenous children and most disadvantaged communities in Australia.

The program selected is the **UNICEF Australia Early Childhood Development Program** that supports **young Aboriginal children living in rural areas of Australia** that are more likely to face barriers in accessing early childhood education and health care programs.

The UNICEF Australia Early Childhood Development Program provides support for communities and parents to provide the nurturing care that children under the age of five need - across the critical domains of health, nutrition, stimulation and protection by supporting a locally developed program that aims to:

- 1) **Improve health outcomes for children under the age of five, their families and communities** through promoting physical activity and healthy eating habits, supporting social and emotional wellbeing and helping to reduce incidents of communicable diseases.
- 2) **Deliver an innovative early learning model** to help children become confident learners, effective communicators and feel connected to their family, community, culture and Country.
- 3) **Support local employment and training for community women**, with a strong focus on sustainability by building local staff capacity through mentoring, skills development and formal qualifications.

Both Livingstone and UNICEF Australia's core visions and commitments are aligned to deliver **life changing support** to disadvantaged children and their communities in rural and remote locations to help ensure that every child has a fair chance to realise their full potential.

UNICEF does not endorse any company, brand, product or service.

Livingstone is committed to providing access, resources or funds that are readily available to the community. With this partnership, it allows **St. George Foundation** to fund programs run by charities who are truly close to the families they help but who don't attract funding from government and aren't big enough to generate significant fundraising income.

Since 1990, St. George Foundation has partnered with over 800 community organisations across Australia and invested more than \$23 million to improve the lives of Australian kids who are **physically, socially or economically disadvantaged**.

Livingstone and St. George Foundation core visions and commitments are aligned to deliver high quality **support to disadvantaged Australian children**.

Livingstone proudly supports **Accelerate**, an Indigenous Injury Management company.

Accelerate offers guidance and support to every Australian affected by workplace related injuries and ensures a safe recovery and return back to work as efficiently as possible.

With this partnership and access to funding, resources and consumables, it allows Accelerate to fund their initiatives of providing **education, employment and support** for Indigenous communities.

Livingstone and Accelerate core visions and commitments are aligned to deliver high quality support to **Indigenous communities** throughout Australia.

COMPANY PROFILE

COMPANY OVERVIEW

Livingstone International was founded in 1984. It is an Australian Owned company that supplies consumables to over 25,000 customers throughout Australia and overseas within the Healthcare, Medical, Dental, Childcare, Pharmacy, Hair & Beauty, Education, First Aid, Scientific, Food Manufacturing and OH&S industries. Celebrating over 35 years in the industry, Livingstone International is proud to be a distributor and marketer of over 65,000 products.

MISSION STATEMENT

To become the market leader in the healthcare, dental, scientific, and safety industries by providing quality products combined with customer-focused service, at the most competitive prices.

THE LIVINGSTONE BRAND

Here at Livingstone, we are proud of our own premium quality branded products. We continuously try to understand our customers' demands and have developed the Livingstone brand in accordance to their needs and wants focusing on customer satisfaction. Our Livingstone products are competitively priced and are of premium quality - representing the best value - that has made us market leaders in the (affinity) industry.

PRICE GUARANTEE

We have a team of people who are constantly benchmarking and comparing our prices against other companies. Therefore, we can confidently declare and guarantee that our pricing are always the lowest against our main competitors. We have the buying power and the scale to reduce costs, and to pass them on to you.

In the unlikely event that you have been offered a better price for an identical product*, we will beat it by Five Percent (5%). Please chat, email or call us to have the price beaten or matched. It will be our pleasure to demonstrate our capabilities to you.

Email: beauty@livingstone.com.au Phone: (02) 8344 7300

* An identical product means identical features, quality, specifications, pack size, components, validity, warranty, expiry date, delivery terms, and stock availability.

CUSTOMER SERVICE

The Livingstone group employs experienced staff that are committed to assisting our valued customers. We offer personalised account managers to service our customer's diverse needs.

PRIVACY ACT

Livingstone is committed to protecting your privacy; if you do not wish to receive information from Livingstone, please email:

beauty@livingstone.com.au and type "remove my details" in the subject header. Please include your mail code and contact details (name and company) in the email.

DISCLAIMER

Whilst the utmost care has been taken in the preparation of this product catalogue, the final responsibility for information about individual benefits, specifications or capabilities of products rests with the manufacturer. Livingstone International accepts no responsibility for any changes or amendments to product specifications in this catalogue. The use of such information and the conditions in which products are used are beyond the control of Livingstone International. It is the obligation of the user to determine the correct selection and use of these products. Please check prior in placing order.

PUBLISHING SYSTEM

Livingstone International employs a sophisticated marketing approach; utilising a combination of marketing staff to deliver our message through direct marketing materials, advertising, e-commerce, trade shows and customer visits. Direct marketing materials come in the form of brochures, catalogues, fax and email broadcasts. The in-house design team use sophisticated technology to create award winning designs and marketing materials. This has saved the company valuable time, money and resources in its marketing and promotional activities. An added advantage of the publishing and graphics system is that it enables the company to publish in-house magazines and publications for industry circulation. The company is also earning additional revenue from advertisers. We also advertise in catalogues and on websites with our strategic partners. Livingstone has the scope to extend its publications to doctors, dentists and laboratory technicians. The design and artwork of this catalogue are subject to copyright protection in part and/or in whole.

CERTIFICATIONS

Livingstone International has been granted HACCP certification on range of reusable and disposable gloves - Latex and vinyl, head protection and aprons. HACCP Australia Food Safety Accreditation provides a recognised endorsement of food safety excellence.

Further, Livingstone International is a member of Sedex, a global membership organisation used to manage labour rights, health and safety, the environment and business ethics. This ensures better management of social and environmental risks within their supply chain, to make a real positive impact with responsible sourcing.

Livingstone is also an accredited Australian Trusted Trader meeting and exceeding international and domestic supply chain security and trade compliance standards and practices. Livingstone has been awarded the Environmental Management System Certification complying with the requirements of ISO 14001:2015 for our offices and warehouse operations.

E - COMMERCE

At Livingstone, we understand the advantages the Internet brings and as a result we have harnessed the capabilities for the benefit of our customers. The newly updated Livingstone website (www.livingstone.com.au) makes it extremely easy, cost effective and convenient for customers to shop with Livingstone.

QUALITY POLICY STATEMENT

Livingstone International's quality management system has been designed to conform to ISO 9001:2015 and meet the requirements laid down by the Australian Standards Association. This quality management system has been designed and implemented as a means of ensuring that products supplied by the Company are of the highest quality, and in every instance, meet the needs and requirements of the Company's customers. The quality and reliability of the Company's products is the concern of every person in the organisation and not just the sole responsibility of quality assurance personnel. It is an important requirement of this policy that Livingstone supplies its customers with products that are suitable for their intended purposes and that conform to the relevant agreed specifications or contracts. The company ensures supplied products adhere to the appropriate Australian standards. For therapeutic goods, the company conforms to the import, labelling requirements and guidelines stipulated by the Department of Health.

Livingstone International has also received ISO13485 certification, which is the International Standard for Medical Device Manufacturing. Along with this certification, we have also received CE markings on a wide range of our medical device products. You can rely on Livingstone to deliver the best quality products at the best possible price.

HOW TO CARE FOR A *New Piercing*

Whether your client is a young child receiving their first piercing, or a return client looking for more ear candy, piercing aftercare is crucial in order to prevent infection and minimise swelling. It's important to note that piercing aftercare will differ depending on the type of piercing that your client is receiving, so we have catered to all popular piercing types in our aftercare suggestions. It is also worth noting that different piercers may have different methods of client aftercare.

1. Directly after piercing, there's little that needs to be done in terms of aftercare - if swelling occurs, apply a cold ice pack (or even just a cube of ice) to the affected area for 10 minutes at a time. This will help to subside the pain and take away inflammation.
2. Every morning and every evening after piercing, rinse the new piercing with warm water and a fragrance free soap. If your client received an ear or stud piercing, encourage them to rotate the jewellery at this stage. This will prevent scab formation. Be sure to only handle newly-pierced skin with clean and sanitised hands.
3. After washing the pierced area, follow up with a saline aftercare spray or ointment. If your client has skin sensitivity or issues with dryness, washing with soap and water should suffice. If your client received an oral piercing, encourage the use of mouthwash containing chlorhexidine, which will help to kill bacteria that may be present.
4. To promote skin regrowth and minimise trauma to the new piercing, avoid changing the jewellery for at least 6-8 weeks after piercing (this will depend on each piercer's advice and preference for their clients).

While the skin around the new piercing heals, it is important to avoid:

- Swimming
- Excessive pressure on new piercings, such as wearing tight/high-waisted clothing or hats (depending on the type of piercing)

So you (or your client) made the plunge to get a new tattoo! Whilst the pain of permanently inking an intricate and unique design into your skin is over, here comes the hard part - caring for your tattoo. As bleeding is common due to the use of needles, this leaves the skin vulnerable to infections and scars if a tattoo is not cared for properly. To ensure that a new tattoo heals correctly, be sure that you equip your client with all of the tools that they need to stay infection-free, and allow their new skin artwork to heal properly.

HOW TO CARE FOR A *New Tattoo*

1. Immediately after tattooing, a thin layer of petroleum ointment should be applied over the top of the tattoo, and the area should be covered in a bandage or cling wrap. In doing so, this will protect the skin from bacteria and from accidental friction against clothing.
2. The bandage or cling wrap can be removed after a few hours - by this point, any excess ink will have dried up and fluids will be absorbed.
3. The area that was tattooed can be washed gently with a fragrance-free soap and lukewarm water. Ensure that hands are clean and properly sanitised before touching the skin on and around the new tattoo.
4. Pat dry and apply a small amount of petroleum jelly or aftercare ointment (product preference will differ depending on the tattoo artist).
5. Over the next few days, the skin on and around the tattoo may begin to scab and the skin may be slightly red in appearance. Be sure to continue washing the tattoo with warm water, avoid touching the freshly-tattooed skin and apply an ointment to soothe any itching or discomfort.

As the skin rejuvenates and begins to heal itself, it is essential to avoid:

- Scratching or touching the tattoo
- Wearing tight clothing over the tattoo
- Going swimming
- Going out in direct sunlight

CONDITIONS OF TRADE

PLACING ORDERS

1. All orders are to include item code, product description, quantity, price and freight and handling charges (for own freight company/ carrier, see below for details).
2. Orders may be placed by phone, fax, mail, or e-mail. Please quote your order number and payment details.
3. Detailed conditions of trade appear on reverse side of invoice.

TERMS AND METHODS OF PAYMENT

1. Strictly 30 days from date of statement for account customers.
2. All new customers must complete an account application form.
3. For non-account customers, payment is required with order and can be paid by cheque, Mastercard, Visa Card, American Express or direct deposit into our nominated account or EFTPOS.
4. The cost of recovering any default of payments will be borne by the customer. Court in NSW has sole jurisdiction.
5. The goods remain the property of Livingstone International until full payment is received.
6. Insurance is always the responsibility of the export customers; we do not insure export consignments.

PRICES

1. Reduced prices in catalogue are applicable for First Time Users.
2. Standing orders, for 12 months or longer are negotiable, subject to minimum quantity requirements.
3. Prices are negotiable for bulk requirements. Please contact our sales department.
4. Prices are quoted in Australian dollars.
5. Catalogue prices are correct at time of printing. Livingstone International may pass on price increases during the period of the catalogue due to currency exchange variances and manufacturer price increases. Customers will be advised of any such changes on www.livingstone.com.au. Please check prior to placing order.
6. We reserve the right to rectify prices quoted in the invoice, if found to be incorrect.

AVAILABILITY AND BRANDS

1. We endeavour to stock all items displayed in this catalogue at all times. However, due to unforeseen/unexpected circumstances there is always a possibility that we may temporarily run out of stock of a particular stock item, in which case we will exercise our discretion and supply an alternative brand of comparable quality to save you the inconvenience of backordering.
2. If back ordered item is no longer required, please advise our customer service.

10% RESTOCKING FEE

Goods returned due to orders placed incorrectly will be subject to a 10% restocking fee with a minimum fee of \$20.00.

ISSUE OF CREDIT

Livingstone International reserves the right to refuse or delay credit or replacement unless procedures for returning goods are followed.

DELIVERY

If you prefer to nominate your own carrier, please supply in writing your own carrier's name and account number, otherwise the following freight and insurance charges will apply;

GOODS RETURNED

1. Prior Approval must be obtained from Customer Service & Accounts Depts. on 1300 556 556/ 1300 722 722 before returning goods.
2. A Return Authority (R.A.) Number will be sent to you once the return is authorised. This number is to be included with the goods, together with a copy of our delivery docket/invoice and any other relevant correspondence.
3. Goods returned must be in their original packaging.
4. Any claim for incorrect shipments, faulty or damaged goods on delivery, must be made within five working days of receipt of goods.
5. Goods will be accepted for credit or replacement at the sole discretion of the management of Livingstone International.

COLLECTION OF GOODS

1. Livingstone International will arrange for the goods to be collected, unless otherwise agreed in writing.
2. If goods are returned without any written authorisation, the company is not responsible for any freight charges (for any reason).

CLAIMS FOR BREAKAGES

Claims for breakages must be referred to your insurers. We do not insure export consignments.

DISCLAIMER

Whilst the utmost care has been taken in the preparation of this product catalogue, the final responsibility for information about individual benefits, specifications or capabilities of products rests with the manufacturer. Livingstone International accepts no responsibility for any changes or amendments to product specifications in this catalogue. The use of such information and the conditions in which products are used are beyond the control of Livingstone International. It is the obligation of the user to determine the correct selection and use of these products. Consumers will be advised on www.livingstone.com.au of any catalogue price changes due to errors, omissions, currency exchange variations or significant price increase imposed by manufacturers. Please check prior in placing order.

Capital Cities	Country Areas outside Metro	Extremely remote regions

- Gift must be specified at the time of order
- Only available for purchases at advertised prices from this promotion
- Only one gift per customer and customer from the same market as per this promotion
- Total order for gift should be GST exclusive
- This offer is only valid for Tattoo & Piercing professionals in Australia, limit is 1 gift per customer from this promotion
- Value spent should be equal to the value of 1 order, not the total of many orders

- If gift specified is out of stock, gift substitution with similar value will be offered
- If the total amount of order has become lower than the original value due to returning of goods, then the customer has the following options:
 - Add MORE items to make up for the returned value (to keep the original order value above the gift eligibility value) from the same promotion and at the same promotional prices
 - Customer will have to pay full price of the gift's value
 - Return the gift in its original state and original packaging
