# CORPORATE PARTNERSHIPS

Livingstone International takes an active role in proudly supporting organisations that positively impact lives and communities throughout Australia.

## ASTHMA AUSTRALIA

Livingstone is committed to providing access and resources of goods and services that are readily available to the community.

With this partnership, it allows Asthma Australia to invest in research, development, education and training to better understand asthma and how best to manage the condition. Livingstone and Asthma Australia core visions and commitments are aligned to deliver high quality support to people with asthma.

## HUMANLOGIC

Livingstone proudly supports HumanLogic working closely with Australian Disability Groups and Returned War Veterans in the development of revenue streams that will fund its social development and employment programs.

HumanLogic offers guidance and support to integrate disadvantaged Australians into the community and workforce to improve equality.

Livingstone is committed to providing employment and personal development opportunities to all Australians through sustainable distribution of goods and services; sharing the same values and commitment as HumanLogic to better equality for all Australians.

## ST. GEORGE FOUNDATION

Livingstone is committed to providing access, resources or funds that are readily available to the community.

With this partnership, it allows St. George Foundation to fund programs run by charities who are truly close to the families they help but who don't attract funding from government and aren't big enough to generate significant fundraising income.

Since 1990, St. George Foundation has partnered with over 800 community organisations across Australia and invested more than \$23 million to improve the lives of Australian kids who are physically, socially or economically disadvantaged.

Livingstone and St. George Foundation core visions and commitments are aligned to deliver high quality support to disadvantaged Australian children.

# COMPANY PROFILE

Livingstone International is an Australian Owned company that was founded in 1984. Livingstone supplies consumables to over 20,000 customers throughout Australia and overseas within the Healthcare, Medical, Dental, Veterinary, Aged Care, Childcare, Pharmacy, Hair & Beauty, First Aid, Food Packaging, Scientific, Industrial & Safety and Education industries. Celebrating over 30 years of business, Livingstone International is proud to be your chosen **manufacturer, distributor and marketer** for over 60,000 products.

## Mission Statement

To continue to be the market leader in healthcare, dental, scientific, education, beauty, packaging and safety industries by providing quality and competitively priced products combined with customer-orientated service.

## Customer Service

Livingstone International employs experienced sales and marketing professionals that are committed to assisting our valued customers. We offer personalised account managers to service each of our customer's diverse needs.

## Research Development

Livingstone is constantly researching and developing new products to satisfy the needs of an increasing customer base. Livingstone heavily invests in research, development and manufacturing power that then allows our customers to dictate the market.

## The Livingstone Brand

Livingstone is proud of our own premium branded products ranging the most diverse and innovative choices. Livingstone is now the largest importer of privately labelled disposable and consumables in Australia that are competitively priced and offer outstanding performance.

Livingstone provides our clients with an unmatched quality product range; remaining dynamic by adapting to future trends before they have spread to the general market. We continually strive to understand our customer's demands and developed the Livingstone brand in accordance to their needs and wants, focusing on customer satisfaction.

## Competitive Pricing

Part of Livingstone's mission is to provide a competitive and flexible pricing policy, which offers the best value for our customers. By maximising our buying power across all departments, we are able to keep our prices low and pass on the savings to our customers.

**Switch and save with Livingstone.**

## E-Commerce

Livingstone understands the requirements of a fast paced world and the role technology plays in the development of today's ordering and product review process. We have recently updated the Livingstone website: [www.livingstone.com.au](http://www.livingstone.com.au) making the online browsing, ordering and information gathering process much easier for our customers.

## Storage & Coverage

Livingstone has excellent dispatch facilities and warehouses in several states across Australia including Perth, Adelaide, Melbourne, Brisbane and two warehouses in Sydney. The combined floor space of our warehouses is 44,000 square meters with stock worth \$45 million being held on our premises at any given time.

Livingstone's reputation has rapidly grown due to our outstanding dispatch facilities and reliable national coverage. Livingstone offers a premium service of holding ample stock for our customers. It is with this ability that allows our clients to consolidate and simplify their orders; saving you time, money and storage. Livingstone continually pushes to add unprecedented value to the list of growing Australian businesses, through our large buying power and international footprint.

## Certifications

Livingstone International has recently been granted HACCP certification on range of reusable and disposable latex and vinyl gloves, head protection, aprons and wipes. HACCP Australia Food Safety Accreditation provides a recognised endorsement of food safety excellence. This endorsement offers assurance to the industry's product suitability for use within a HACCP - based food safety programme.

## Experienced at providing a competitive edge

### Range

Livingstone provides our clients with an unmatched high quality product range; remaining dynamic by adapting to future trends before they've spread to the general market. Livingstone invests heavily in researching, development and manufacturing. Livingstone's branded products are of the utmost highest standards, having passed all requirements laid down by the Australian Standard's Association.

### Storage

Livingstone's reputation has rapidly grown due to its outstanding dispatch facilities and reliable national coverage with several warehouses in each state across Australia. We stock over \$40 million dollars worth of inventory at any given time. Holding stock for customers is also a premium service we offer. We will help you consolidate and simplify your orders, saving you time, money and storage.

### Coverage

Livingstone strives to be a market leader in every industry; a trusted supplier to over 20,000 customers. Livingstone holds contracts with some of Australia's largest corporations. We continually push to add unprecedented value to the list of growing Australian businesses, through our large buying power and international footprint.

### Partnerships

Livingstone is currently proud sponsors of Asthma Australia and HumanLogic, maintaining it's commitment to corporate and social responsibility. These organisations positively impact the lives and communities throughout Australia.

# OUR LIVCODE

## Detergent Wipes

- Liv-Wipe Detergent Wipes are perfect for use where general cleanliness is required quickly and conveniently
- A simple and effective way of removing dirt and grime
- Impregnated neutral detergent that is not harmful to the skin
- Alcohol, disinfectant, lint and fragrance free
- Durable and absorbent for fast and effective cleaning
- Lifts and removes soiling, grease, oil and dirt without leaving residue
- Perfect multipurpose cleaner, ideal for most surfaces
- Leaves surfaces clean and ready for disinfecting
- pH Neutral detergent will not damage surfaces
- Low foaming surfactant eliminates need for a drying cloth
- Does not encourage anti-biotic resistant pathogens
- More hygienic and cost effective than reusable cloths
- Available in a canister, re-sealable soft pack, or tub to prevent wipes from drying out
- Available in a variety of packaging presentations means there is a solution for all your cleaning needs
- Brackets also available for wall mounting wipes

Choosing gloves sizes is very important for your comfort and safety. Choosing the correct size for your hands ensures you get the best performance from your gloves.

According to Australian Standards EN420 glove-size is "the hand circumference measured around your palm from a point 20mm about the crotch of your thumb but excluding the thumb."

Nitrile Powder Free Gloves

- MATERIAL**
- Made from non latex synthetic chemical resistant material
  - 100% nitrile containing no natural rubber protein
  - Powder free, reduces skin irritations

- FEATURES**
- Unparalleled toughness, 4 times stronger than vinyl and latex gloves
  - Chemical, tear and pathogen resistant
  - Latex free contains no natural rubber protein
  - Excellent tactile sensitivity and high level of dexterity
  - Textured fingertips and/or palms for excellent grip
  - Tight, comfortable and contoured fit
  - Available in light blue and cobalt blue

- APPLICATION**
- Latex allergies
  - Users handling blood-borne pathogens and minor abrasions
  - Laboratory and pathology
  - Healthcare and medical

**S Lincon Examination Gloves - STANDARD: ASTM**

- Chemical resistant glove, four times stronger than vinyl and latex gloves
- Micro-textured fingertips for excellent tactile sensitivity and high level of dexterity
- New 300/Box packaging for convenient and compact storage
- Larger box keeps cost and maintenance down by replacing box less frequently

# NI-TEK®

## Premium Nitrile Examination Gloves

**ACCELERATOR FREE**

- Advanced allergy prevention
- Superior barrier protection and puncture resistance
- Micro-textured fingertips for excellent tactile sensitivity and high level of dexterity
- High chemical and blood-borne pathogen resistance
- Smooth and soft formulation for increased comfort levels
- Suitable for sensitive skin conditions including latex allergies, dermatitis, chemical allergies and sensitivities

Item No.: **GLVNTRPFAF\***

\*Replace with size: XS - Extra Small, S - Small, M - Medium, L - Large & XL - Extra Large

# XTREME

**NITRILE GLOVES BLACK Powder-Free**

- XTREME strength and durability for heavy duty handling
- 3 times the puncture resistance of latex or vinyl gloves of comparable thickness
- Exceptional tactile sensitivity with a high level of dexterity
- Resistant to oils, solvents and a wide range of chemicals
- Tough enough for heavy duty manufacturing and sensitive enough for automotive work
- Meets ASTM D6319
- 100 Pieces/Box (90 Pieces/Box for XXL)

Item No.: **GLVNRLB100\***

\*Replace with size: S - Small, M - Medium, L - Large, XL - Extra Large, XXL - XX-Large

## Vinyl Powder Free Gloves

**MATERIAL**

- 100% synthetic thermoplastic polymers
- Powder free, reduces skin irritations

**FEATURES**

- Resistant to oils, fats and grease
- Latex free contains no natural rubber protein
- Reduces potential skin irritation for powder sensitive users
- Limits particulate contamination in critical environments
- Available in clear and blue
- Blue glove for easy detection and retrieval in food prep areas

**APPLICATION**

- Latex allergies
- Food preparation and processing, catering and kitchens
- Cleaning and janitorial
- Personal care, aged care and first aid

## Latex Finger Cots

## MATERIAL

- Made of 100% natural latex
- Powder free, reduces skin irritations

## FEATURES

- Anti-static and avoids electrical zaps
- General purpose providing added protection for fingers
- Textured fingertips for increased dexterity and grip
- Smooth surface is ideal for all types of medical and industrial applications
- Used to keep moisture and dirt out of cuts or stitches
- Pre-rolled for convenience, comfort and protection
- Durable and long wearing for cost effectiveness

## APPLICATION

- Medical and dental
- General Manufacturing
- Electronic Assembly
- Banks

## Livingstone Finger Cots

Item No.	Description	Unit
FCASS*	Cream	100 Pieces/Bag

FCASN*	Blue	100 Pieces/Box

Replace (\*) with preferred size: S-Small, M-Medium & L-Large

## Rubber Gloves

## MATERIAL

- Made from natural rubber latex
- Comes with three different linings to suit individual needs

## FEATURES

- Offers excellent flexibility and tensile strength
- Slip resistant pattern on fingers and palms for excellent grip
- Features longer length for greater arm protection
- Resistant to detergents and chemicals
- Comfortable and soft to wear
- Durable and versatile range
- Available in blue, pink, green and yellow

## APPLICATION

- Cleaning, janitorial, assembly work, hospitality and food manufacturing
- **Flocklining:** greater comfort
- **Silverlining:** easy donning
- **Cottonlining:** extra moisture absorbency
