CORPORATE PARTNERSHIPS

Livingstone International takes an active role in proudly supporting organisations that positively impact lives and communities throughout Australia

Founded by Livingstone International in late 2022, the Livingstone Foundation focuses on human welfare, education, community development, spiritual, and physical well-being, First Nations, rural, elderly, and youth development. The aim is to support all ages, disadvantaged, vulnerable and marginalised Australians so they are given the best opportunity in life to thrive. Livingstone Foundation has appointed a professional independent administrator Australian Philanthropic Services to support the directors with governance and giving with impact. **When you purchase from Livingstone International, you're contributing to the success of The Livingstone Foundation.**

The McGrath Foundation began over 20 years ago with a focus on breast cancer and has since expanded to support all Australians affected by cancer with free, practical care. Their mission is to ensure that no one faces cancer alone, making a meaningful impact in communities nationwide. Livingstone is proud to support this work through the Livingstone Foundation, reinforcing our commitment to health, equity and community wellbeing. By partnering with organisations that drive lasting change, the Foundation continues to invest in a stronger, more supported Australia.

Ronald McDonald House Charities Sydney plays a crucial role in supporting families with seriously ill or injured children by providing free accommodation located near Sydney Children's Hospital. More than a place to stay, the House eases the pressure of long hospital journeys, especially for families travelling from regional and rural areas. The Livingstone Foundation supports this essential service, recognising the importance of stability and care during times of medical hardship. This partnership aligns with our ongoing focus on strengthening family wellbeing and supporting community-based care networks.

Asthma Australia has been the leading charity for people with asthma and their communities for over 60 years, addressing climate change, unhealthy air, and health inequity by advocating for those with asthma. The Livingstone Foundation continues its proud support of Asthma Australia, recognising its vital role in improving the lives of those affected by asthma. We remain committed to raising awareness and highlighting the impactful work being done to support those living with this condition.

Livingstone has partnered with Gunawirra, a not-for-profit organisation that supports Aboriginal and Torres Strait Islander mothers and children. Through this ongoing collaboration, Livingstone donates 1% of all sales from its Duga product range to fund the art therapy program at Jarjum Preschool in Lismore. This program promotes emotional and creative development for young Aboriginal and Torres Strait Islander children, helping them connect with their culture. Livingstone and Gunawirra remain committed to empowering Aboriginal and Torres Strait Islander communities through this vital partnership.

Livingstone is passionate about developing initiatives that support and provide opportunities for First Nations peoples, their communities, and businesses. We collaborated with artists from Dalmarri to create packaging artwork that reflects our core values. This partnership highlights opportunities for First Nations peoples while demonstrating our commitment to improving health outcomes through culturally significant initiatives. Together, Livingstone and Dalmarri honour First Nations culture and strive for a brighter future for all Australians.

Livingstone proudly partners with Accelerate, a First Nations Injury Management company dedicated to helping Australians recover from workplace injuries. This collaboration provides funding, resources, and essential supplies to support Accelerate's education, employment, and community assistance initiatives for First Nations people. Through this partnership, we are dedicated to providing high-quality care to First Nations communities across Australia.

Livingstone is proud to partner with UNICEF Australia, supporting vulnerable children through the Early Childhood Development Program for young Aboriginal children in rural areas. This program enhances health outcomes, introduces innovative early learning models, and promotes employment and training for local women. Together, Livingstone and UNICEF Australia are committed to helping disadvantaged children and communities thrive.

Livingstone is dedicated to providing access, resources, and funds to the community. Our partnership with St. George Foundation enables funding for small charities that directly support families but lack government funding and fundraising capacity. Since 1990, St. George Foundation has collaborated with over 800 community organisations across Australia, investing more than \$23 million to improve the lives of disadvantaged children. Livingstone and St. George Foundation share a commitment to delivering quality support to Australian children in need.

COMPANY PROFILE

COMPANY OVERVIEW

Livingstone International was founded in 1984. It is an Australian-owned company that supplies consumables to over 25,000 customers throughout Australia and overseas within the Healthcare, Medical, Dental, Childcare, Pharmacy, Hair & Beauty, Education, First Aid, Scientific, Food Manufacturing and OH&S industries. Celebrating over 40 years in the industry, Livingstone International is proud to be a distributor and marketer of over 65,000 products.

MISSION STATEMENT

To become the market leader in the healthcare, dental, scientific, and safety industries by providing quality products combined with customer-focused service, at the most competitive prices.

THE LIVINGSTONE BRAND

Here at Livingstone, we are proud of our own premium quality branded products. We continuously try to understand our customers' demands and have developed the Livingstone brand in accordance to their needs and wants focusing on customer satisfaction. Our Livingstone products are competitively priced and are of premium quality - representing the best value - that has made us market leaders in the school industry.

PRICE GUARANTEE

We have a team of people who are constantly benchmarking and comparing our prices against other companies. Therefore, we can confidently declare and guarantee that our pricing are always the lowest against our main competitors. We have the buying power and the scale to reduce costs, and to pass them on to you. In the unlikely event that you have been offered a better price for an identical product*, we will beat it by Five Percent (5%). Please chat, email or call us to have the price beaten or matched. It will be our pleasure to demonstrate our capabilities to you.

Email: sales-school@livingstone.com.au

Phone: 1300 855 988 * An identical product means identical features, quality, specifications, pack size, components, validity, warranty, expiry date, delivery terms, and stock availability.

CUSTOMER SERVICE

The Livingstone group employs experienced staff that are committed to assisting our valued customers. We offer personalised account managers to service our customer's diverse needs.

PRIVACY ACT

Livingstone is committed to protecting your privacy; if you do not wish to receive information from Livingstone, please email: sales-school@livingstone.com.au and type "remove my details" in the subject header. Please include your mail code and contact details (name and company) in the email.

DISCLAIMER

Whilst the utmost care has been taken in the preparation of this product brochure, the final responsibility for information about individual benefits, specifications or capabilities of products rests with the manufacturer. Livingstone International accepts no responsibility for any changes or amendments to product specifications in this brochure. The use of such information and the conditions in which products are used are beyond the control of Livingstone International. Consumers will be advised on www.livingstone.com.au of any brochure price changes due to errors, omissions, currency exchange variations or significant price increase imposed by manufacturers. Please check prior in placing order.

PUBLISHING SYSTEM

Livingstone International employs a sophisticated marketing approach; utilising a combination of marketing staff to deliver our message through direct marketing materials, advertising, e-commerce, trade shows and customer visits. Direct marketing materials come in the form of brochures, catalogues, fax and email broadcasts. The in-house design team use sophisticated technology to create award winning designs and marketing materials. This has saved the company valuable time, money and resources in its marketing and promotional activities. An added advantage of the publishing and graphics system is that it enables the company to publish in-house magazines and publications for industry circulation. The company is also earning additional revenue from advertisers. We also advertise in catalogues and on websites with our strategic partners. Livingstone has the scope to extend its publications to doctors, dentists and laboratory technicians. The design and artwork of this brochure are subject to copyright protection in part and/or in whole.

CERTIFICATIONS

Livingstone International has been granted HACCP certification on range of reusable and disposable gloves - Latex and vinyl, head protection and aprons. HACCP Australia Food Safety Accreditation provides a recognised endorsement of food safety excellence.

Further, Livingstone International is a member of Sedex, a global membership organisation used to manage labour rights, health and safety, the environment and business ethics. This ensures better management of social and environmental risks within their supply chain, to make a real positive impact with responsible sourcing.

Livingstone is also an accredited Australian Trusted Trader meeting and exceeding international and domestic supply chain security and trade compliance standards and practices. Livingstone has been awarded the Environmental Management System Certification complying with the requirements of ISO 14001:2015 for our offices and warehouse operations.

E - COMMERCE

At Livingstone, we understand the advantages the Internet brings and as a result we have harnessed the capabilities for the benefit of our customers. The newly updated Livingstone website (www.livingstone.com.au) makes it extremely easy, cost effective and convenient for customers to shop with Livingstone.

QUALITY POLICY STATEMENT

Livingstone International's quality management system has been designed to conform to ISO 9001:2015 and meet the requirements laid down by the Australian Standards Association. This quality management system has been designed and implemented as a means of ensuring that products supplied by the Company are of the highest quality, and in every instance, meet the needs and requirements of the Company's customers. The quality and reliability of the Company's products is the concern of every person in the organisation and not just the sole responsibility of quality assurance personnel. It is an important requirement of this policy that Livingstone supplies its customers with products that are suitable for their intended purposes and that conform to the relevant agreed specifications or contracts. The company ensures supplied products adhere to the appropriate Australian standards. For therapeutic goods, the company conforms to the import, labelling requirements and guidelines stipulated by the Department of Health.

Livingstone International has also received ISO13485 certification, which is the International Standard for Medical Device Manufacturing. Along with this certification, we have also received CE markings on a wide range of our medical device products. You can rely on Livingstone to deliver the best quality products at the best possible price.

GLOVE CHART

Choosing gloves sizes is very important for your comfort and safety. Choosing the correct size for your hands ensures you get the best performance from your gloves.

According to Australian Standards EN420 glove-size is "the hand circumference measured around your palm from a point 20mm about the crotch of your thumb but excluding the thumb."

TERMS AND CONDITIONS:

- Gift must be specified at the time of order
- Only available for purchases at advertised prices from this promotion
- Only one gift per customer and customer from the same market as per this promotion
- Total order for gift should be GST exclusive
- This offer is valid only for Packaging Professionals in Australia, limit is 1 gift per customer from this particular promotion
- Value spent should be equal to the value of 1 order, not the total of many orders
- If gift specified is out of stock, gift substitution with similar value will be offered

- If the total amount of order has become lower than the original value due to returning of goods, then customer has the following options:
 - Add MORE items to make up for the returned value (to keep the original order value above the gift eligibility value) from the same promotion and at the same promotional prices
 - Customer will have to pay full price of the gift's value
 - Return the gift in its original state and original packaging
